

COMMITTEE NOTE

The form has been amended to require the debtor to disclose only the last four digits of the debtor's Social Security or other Taxpayer Identification number. Those four digits will provide creditors with sufficient information to identify the debtor accurately while affording greater privacy to the debtor. In addition, those items that require the listing of any account number have been amended to specify that only the last four digits must be disclosed.

Pursuant to § 110(c) of the Bankruptcy Code, the certification by a non-attorney bankruptcy petition preparer continues to require a petition preparer to provide the full Social Security number of the individual who actually prepares the document.
